Pass Cost \$ \_\_\_\_\_

Additional Activity Cost \$ \_\_\_\_\_

Would you like to donate \$1, \$2, \$5, \$10 to the 2019 Great Wisconsin Birdathon? Your donation will support Ryan Brady, Nick Anich & the Lake Superior eBirders team in their quest to see as many species as possible on a single day in May and raise funds for important bird conservation projects in Wisconsin, including work on owls, Kirtland's Warblers, Whooping Cranes, migratory birds and more.

\$ \_\_\_\_\_

**TOTAL \$ \_\_\_\_\_**

**ACTIVITY TIMES & LOCATIONS**

All Friday Night Programs (May 17, 2019) take place at Northland College.

All start and end times include round-trip traveling time from the Northern Great Lakes Visitor Center (NGLVC). Each off-site activity will have a group departing from NGLVC. It is the responsibility of the trip participant to be at the correct location at the correct time. Be sure to allow enough travel time between programs and field trips. Refer to the mileage key and map in the Guide Booklet. Refunds will not be given for missed attendance.

**TRANSPORTATION**

Transportation for field trips and other activities is not provided by the festival. We strongly encourage carpooling with fellow participants to reduce our carbon footprint, save money, better stay together, and facilitate parking at field sites. Plus it's a great way to make new friends! Beware some trips may involve rough unpaved roads - medium- to high-clearance vehicles are recommended.

**THINGS TO CONSIDER BEFORE YOUR ADVENTURE**

1. All registration packets are to be picked up at the Northern Great Lakes Visitor Center. Be sure to check in at the Center and receive your packet.
2. For field trips, make sure to arrive 15 minutes early to check in with the trip leader.
3. Please bring: insect repellent, water, sunscreen, hat, sunglasses, appropriate clothing and footwear, binoculars, a camera and a field guide.
4. For kayak trips, wear closed-toe shoes that will stay on and that you do not mind getting wet.

**LEVELS OF DIFFICULTY**

New in 2019 are numerical categories ranging from 1-5 that indicate the level of difficulty for each activity. Please note these are guesstimates made at the time of planning and subject to minor changes based on current conditions. Find the difficulty level with the activity type, in bold.

- 1** Accessible to people with walking disabilities
- 2** Easy hike or paddle under one mile in length on mostly level terrain
- 3** Average hike or paddle up to three miles in length, possibly with some small hills or brief time off-trail
- 4** Steeper terrain, long hike three to five miles in length, extensive time off-trail, or a rigorous paddle trip
- 5** Extreme conditions such as mostly off-trail, very steep, difficult paddling, or a hike more than five miles in length

**CANCELLATION AND REFUND POLICY**

Chequamegon Bay Birding & Nature Festival reserves the right to cancel a festival activity or substitute qualified presenters when necessary. If we cancel an event for any reason, a full refund will be issued. Should that unlikely occurrence become necessary, you will be notified as soon as possible.

Registrations will be cancelled by email, fax or mail following this established Refund Policy:

- Cancellations made by **May 1, 2019** will be refunded at 50% of the total cost paid.
- Cancellations made after **May 1, 2019** will not be refunded.
