Essential Tips for Registration

- Trips are listed in the center under Sessions. Ignore the left side.

- Trips are listed in order of dates and times they occur.
- The system will hold your trips the minute you put them into your cart (yay!). However, if you are inactive on the site (not clicking or entering information) for longer than 15 minutes, your selected trips will be returned to inventory.
- Be sure **ALL your trips are in your cart**, and quantities updated, before you click the orange "Continue" button.
- **Save your credit card.** Opt to keep your credit card information online if you are on a waitlist for an activity.
- **Active.com password:**
If you registered with Active.com in the past you can use the same password at the **start** of the check-out process.
- **If you are new to Active** you will create an account and password at the end of your 2026 Chequamegon Bay Birding & Nature online registration process.

When registering Before you get started:

It is best to know which trips you'd like to attend prior to registration. We recommend selecting your top 4 desired trips and 2 back up trips in case your first choices fill quickly. Additionally, be sure to have ALL your guest information handy (name, email, phone number, date of birth, address and which trips they are attending).

Reminder: The system will hold your trips the minute you put them into your cart (yay!). However, if you are inactive on the site (not clicking or entering information) for longer than 15 minutes, your selected trips will be returned to inventory.

Let's get started!

Add your trips to your cart by selecting Add at the end of the listing. If you are registering more than one person to the right in your shopping cart you add the quantity you are registering (When you get to the check-out portion you will add their names and other information)

At the bottom of this page there are numbers of other pages. Below are the activities on each page to help you quickly find your activities. Page 1. Cruise(63)-#9, Page 2.#10-19, Page 3 #20-29, Page 4 #30-39, Page 5 #40-49, Page 6 #50-59, Page 7 #60-67
